1. MEDNARODNI SALON DIGITALNE IN DIA FOTOGRAFIJE
1ST INTERNATIONAL CONTEST OF DIGITAL AND SLIDE PHOTOGRAPHY

Beseda kočevskega župana

Fotografsko društvo Grča, prijetno preseneča že od samega začetka delovanja, saj imamo možnost občudovati na njihovih fotografijah motive, ki zahtevajo veliko znanja in vztrajnosti.

Še poseben izziv so si zadali z organizacijo prvega mednarodnega salona digitalne fotografije in diapozitivov ob njihovi deseti obletnici delovanja. S tem so ponesli ime Kočevja v svet in nas predstavili v naši naravni lepoti. Velikokrat se postavlja vprašanje kako lahko tržimo naravo. Fotografiranje življenja v naravi in naravnih lepot je gotovo najprijetnejša oblika saj ostanejo fotografije kot trajen spomin in so izziv za nove obiskovalce.

Na ta način bomo še bolj povezani z naravo in skrbeli za ohranjanje številnih živalskih in rastlinskih vrst. To je danost, ki jo v tako širokem obsegu redko srečamo v Evropi. Prav ta različnost je naša prednost, ki se je bomo še bolj zavedali ob občudovanju fotografij mednarodnega salona. Zato čestitam vsem udeležencem za sodelovanje v projektu Fotografskega društva Grča in jim želim veliko uspehov tudi v prihodnje. Fotografskemu društvu Grča pa čestitam ob njihovi deseti obletnici delovanja in jim želim uspešno delovanje v naslednjih letih.

Župan
Janko Veber

Words of Mayor of Municipality Kočevje

Photographic club Grča, is suprising since the beginning. On their photographs we can admire motives, that demand a lot of knowledge and persistence.

For an extra challenge they organized the first international salon of digital photography and slides at their 10 year anniversary of existence. With this, they carried the name of Kočevje into the world and presented us in our natural beauty. There is a question that keeps on repeting: how do we present our nature? Taking photographs of nature's life and its natural beauties must be the most pleasant form, because the photographs become a consistant memory and a challenge for new visitors.

This is how we will be better connected with nature and preserve countless animal and plant species. That is a gift, that we can rarely see in this kind of wide range in Europe. And with this diffenrence in our minds, we can truly admire the photographs in the international gallery. My congratulations are extended to all the participants in the project of the Photographic club Grča and I wish them many more achievements in the future. I would like also to congratulate the Photographic club Grča for their 10 year anniversary of existence and wish them many successful years in the future.

The Mayor
Janko Veber

Spoštovani ljubitelji fotografije !

Prišla so tista leta, ki dajejo društvu in članom nove zamisli, nov zagon, sklepajo se nove vezi in poglobljajo stara prijateljstva. 10 let obstoja društva se morda res ne sliši veliko, pa vendar so bila to leta vseskozi prežeta s pozitivno energijo. Ravno zato so se uspehi nizali en za drugim. Ponosni smo, da smo imeli možnost na vsaki razstavi predstaviti kraj v katerem živimo in državo, polno naravnih lepot. Tisoče fotografij naših krajev in ljudi, običajev in dogodkov smo ponesli v svet. Opažamo, da so na opravljeno delo ponosni tudi naši krajanji, občinski možje in vsi, ki živimo v deželi rjavega medveda.

Ob tej priliki iskrene čestitke vsem članom društva.

Ob prazniku Občine Kočevje ter 65. letnici Zbora odposlancev slovenskega naroda, ko je bila začeta pot v svobodo, odpiramo 1. mednarodno fotografsko razstavo pod pokroviteljstvom FIAP, PSA in FZS. Prav gotovo ne bo zadnja, saj smo se vsi ob tej marsikaj naučili. Vsem razstavljalcem iskrene čestitke, še posebej nagrajencem. Tistim, ki pa letos niso uspeli, želim srečo prihodnje leto. Zahvaljujemo se vsem našim sponzorjem in donatorjem, ki že od samega začetka verjamejo v nas in nam na tej poti pomagajo.

Katalog, ki je pred Vami dokazuje, kako težko delo je imela žirija, da je med skoraj štiristo avtorji iz 43 držav izbrala najboljše. Prepričan sem, da jim je uspelo in da boste nad videnim navdušeni.

Dobro luč in nasvidenje prihodnje leto !

Predsednik FD GRČA Kočevje
Janez Papež, AFIAP, KMF FZS

Respected lovers of photography!

Those years came, that give a society and its members new ideas, new energy, new connections and deeper friendships. Our society exists for ten years now and though it may not seem long, these years were full of positive energy. That is why we had success after success. We are proud to have the possibility, in every exhibition, to promote the land and the country we live in, which is full of natural beauties. We carried out into the world thousand photographs of our lands and people, customs and events. We have to noticing, that our work makes our local people proud, as well everyone, who lives in the land of the brown bear.

So let me take this opportunity to congratulate all the club members.

With Commune Kočevje holiday and 65th annual ring of the Delegate Convention of the Slovenian nation, which happened on our historic road towards freedom, and on this day we are opening the 1. International Photo-Exhibition under the sponsorship of FIAP, PSA and FZS. It certainly won't be the last, because we all learned something from it. Congratulations to all the exhibitors, especially the award winners. To those, that did not make it this year, I wish better luck next year. I would like to thank also our sponsors and donators, who believed in us from the very beginning and helped us on our journey.

The catalogue before You proves, what a difficult job the jury had, picking the best out of 400 authors from 43 countries. I am sure the jury succeeded and that you will like what you see.

Good light and goodbye until next year!

The President of FD GRČA Kočevje
Janez Papež, AFIAP, KMF FZS
