NARAVA 2010

3. MEDNARODNI SALON DIGITALNE FOTOGRAFIJE
3RD INTERNATIONAL CONTEST OF DIGITAL PHOTOGRAPHY

Spoštovani fotografski ustvarjalci!

Fotografsko društvo Grča Kočevje, je še tretjič gostitelj mednarodnega salonova digitalne fotografije z naslovom »Narava 2010«, ki je tudi tokrat vseboval dva sklopa, in sicer temo »Prosto« in temo »Narava«. Letos se je vse bolj mednarodno uveljavljenega salonova udeležilo kar 697 fotografov iz 63 držav ter prispevalo v pregled in izbor več kot 4647 fotografij, kar predstavlja navdušjujoč rekord. Zaradi tega števila večinoma odličnih fotografij je imela strokovna žirija izredno težko in odgovorno delo pri izboru nagrjenih del, ter del, ki so objavljena v tem katalogu. Kvaliteta digitalne fotografije očitno z vsakim letom narašča, številni fotografi so vedno bolj ustvarjalno popolni, tehnično brezhibni in presenetljivo izvrini v prikazovanju nenavadnih motivov. Nevarnost za kvaliteto teh fotografij predstavlja le pretirana manipulacija pri njihovi naknadni računalniški obdelavi, ki lahko zaradi napačnih hotenj avtorja ustvarja pridihi osladnosti in izumetničenosti. Večina sprejetih fotografij je bila prikazana na zaključni prireditvi ob občinskem prazniku občine Kočevje 3. oktobra v zgodovinskem Šeškovem domu v Kočevju. V imenu strokovne žirije se zahvaljujem vsem sodelujočim avtorjem, nagrjenim pa izrekam iskrene čestitke. Zahvaljujem se in hkrati čestitam tudi vsem članom fotografskega društva Grča Kočevje, ki so brezhibno in zavzetno organizirali ter pripravili to izjemno prireditve.

Nasvidenje na 4. mednarodnem salonu digitalne fotografije Narava 2011!

Za žirijo: profesor Darko Slavec, mag. slikarstva in mag.grafike

Dear Photographic Artists!

The Photo Club GRCA Kocevje was host to the 3rd International Contest of Digital Photography entitled Narava 2010 which was again comprised of two themes, the first one themed Open and the second Nature. This year, the Salon, which is becoming increasingly recognised internationally, was attended by 697 photographers from 63 countries who contributed 4647 photographs to be reviewed and selected, which represents a marvellous record. Due to the large number of mostly excellent photographs, the expert jury had a very difficult job and great responsibility in selecting the prize-winning works and the works to be published in this catalogue. Each year, the quality of digital photography rises, and many photographers are perfecting their creativity and are becoming technically flawless as well as surprisingly original in presenting unusual motifs. The only danger to the quality of these photographs is the potential for excessive manipulation in computer processing which can result in a touch of mawkishness and artificiality due to the authors' misguided intentions. Most of submitted photographs were presented at the final event on the holiday of the Kocevje Municipality, which will take place on 3rd October at the historical museum in Kocevje. On behalf of the expert jury, I would like to thank all the participating photographers and to congratulate all the winning authors. I would also like to thank and congratulate all members of the Photo Club Grca Kocevje who organised this exceptional event flawlessly and enthusiastically.

See you at the 4th International Contest of Digital Photography Narava 2011!

For Jury: Darko Slavec, Professor of Photography, Master of Art of Painting and Graphics
