5. MEDNARODNI SALON FOTOGRAFIJE
5TH INTERNATIONAL CONTEST OF PHOTOGRAPHY

Spoštovane fotografinje in fotografi!

Leto je naokoli in pred nami je že peti tradicionalni mednarodni salon fotografije NARAVA 2012, ki ga organizira fotografsko društvo GRČA iz Kočevja. Letošnjega salona se je udeležilo 699 avtorjev iz 68 držav.

V veliko veselje nam je, da se je natečaja udeležilo veliko novih avtorjev, ki so s svojimi izvirnimi idejami in zamislimi pripomogli k obogatitvi in popestritvi salona. Posebno v kategoriji PROSTO je prišla do izraza velika kreativnost in domiselnost, ki so jo avtorji ob pomoči napredne tehnologije s pridom izkoristili. V kategoriji NARAVA pa kljub raznolikosti in pestrosti rastlinskega in živalskega sveta prevladujejo posnetki ptičjega sveta. Navsezadnje je naravoslovna fotografija ena najtežjih in zahtevnejših oblik fotografskega izražanja. Žirija s svojo strokovnostjo in izkušnjami vsekakor ni imela lahkega dela, saj je pregledala in ocenila 4447 del. Pri tem je upoštevala splošne fotografske zakonitosti s poudarkom na ideji-zgodbi posnetka, zornem kotu in posebnim svetlobi, nato pa izločila in nagradila dela, ki so prestavljena v katalogu in na projekciji. Žirija se je pri podelitevju nagrad in sprejetju del držala pravil FIAP, PSA in FZS po sistemu točkovjanja in selekcioniranja. Naj bo fotografija še tako tehnično dovršena, dokumentarni zapis nekega dogodka, mora vsebovati fotografsko vsebino, ki jo žirant v tistem kratkem času, ki ga ima na voljo, začuti. Upam da je žirija svoje delo korektno opravila, in ob tej priložnosti čestitam vsem udeležencem, še posebej nagrajencem in jim želim še veliko fotografskih užitkov in dobrih posnetkov. Hvala vsem, ki so po svojih močeh pripomogli pri izvedbi letošnjega salona. Nasvidenje na 6. mednarodnem salonu fotografije NARAVA 2013.

V imenu žirije, Stanko Lavrič

Dear Photographers!

The year is around and in front of you is the 5th International Contest of Photography NARAVA 2012, which is organised by the Photo Club GRČA from Kočevje. This year's contest was attended by 699 authors from 68 countries. It is our pleasure that the contest was attended by many new authors who with their original ideas contributed to the enrichment and diversity of the contest. Especially in the theme FREE came to an expression of great creativity and imagination, which authors with the aid of advanced technology used to their benefits. The theme NATURE was, despite the diversity of flora and fauna around us, dominated by photos from bird habitats. However, nature and wildlife photography is one of the most difficult and complex forms of photographic expression. The jury with its expertise and experience certainly did not have an easy choice. The jury has reviewed and evaluated 4447 pieces of work, taking into account the general photographic rules with an emphasis on the idea – the story of the clip , the angle of sight and the lighting effects. Finally, the jury eliminated and rewarded the works, which are now in this catalogue and will be shown at the projection. The jury decided under a system of scoring and selection by FIAP, PSA and FZS rules. Should be a photography yet so technically perfect, a documentary record of an event must contain a photographic content, which a member of the jury in that given short period of time for evaluation, feels. We would like to thank the jury for their excellent work and congratulations to all participants especially to award-winners wishing them much of photographic pleasures and good footage. Thanks to all who have helped in the execution of the 5th International Contest of Photography NARAVA 2012. We are looking forward to see you at 6th International Contest of Photography NARAVA 2013.

For the Jury, Stanko Lavrič
