12. MEDNARODNI SALON FOTOGRAFIJE
12th INTERNATIONAL CONTEST OF PHOTOGRAPHY

UVODNIK – FOREWORD

Dragi prijatelji

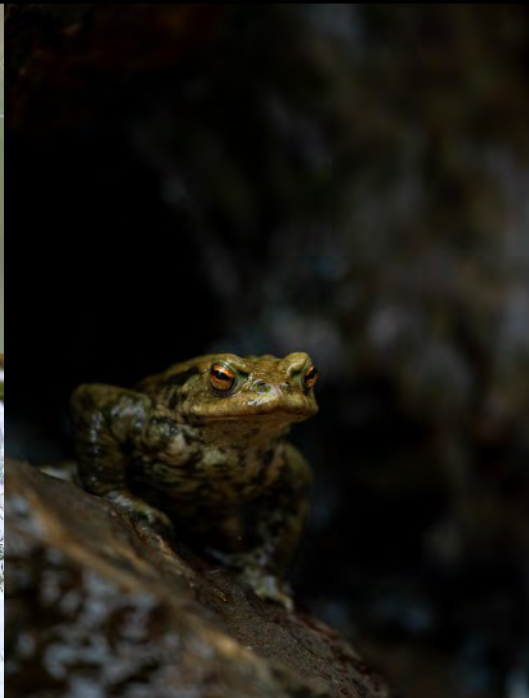

Ducat let se je obrnilo odkar Fotografsko društvo Grča Kočevje skupaj z vami, fotografi s celega sveta, pripravlja mednarodni salon fotografije Narava. Naša skupna ljubezen in predanost k fotografiji ga plemeniti in dela takšnega kot je. To je salon z udeležbo vrhunskih fotografov in odlične kakovosti prispelih fotografij. Tiskan katalog, pravzaprav knjiga, ki je pred vami, je priča prej napisanega. Naj omenim, da naš salon, kljub omejenim sredstvom, ostaja eden redkih, s tiskanim katalogom. Prav ta katalog je s strani FIAP ocenjen z najvišjo oceno, 5. zvezdic. Velika večina izmed premnogh salonov, ki imajo FIAP ali PSA patronat, je že pred leti to prakso opustila in fotografom ponuja le spletne ali PDF kataloge. V našem društvu se ne moremo znebiti občutka, da gre tem salonom le za ustvarjanje finančnega rezultata, fotografija pa je v drugem planu. FIAP in PSA pa jim pri tem zaradi neselektivnosti tudi obilno pomagata. Tako se zaradi količine izgublja tisto najpomembnejše, kakovost. Ali je to res prihodnost fotografskih salonov?
(Marjan Artnak)

Dear friends

It has been twelve years since the Photo Club Grča Kočevje and you - the photographs from all over the world, have been preparing the International Salon of Photography Narava. Our love and devotion towards photography makes the International Salon of Photography Nature noble. This is a contest with the participation of high quality photographers and excellent quality of arrived photographs. The printed catalogue or even better said a book witnesses all written above. Let me explain that our contest, although it has limited finances, still stays one of the rare contests that has a printed catalogue. This catalogue has been marked with the highest grade – five stars by FIAP. The majority of Photography Salons under the FIAP or PSA support have abandoned the tradition of printed catalogues and they offer only online or PDF catalogues. In the Photo Club Grča Kočevje we believe that those contests only tend to make profit while the quality of photos is not top of their list. We feel that those kinds of contests due to their unselectivity get a massive support by FIAP and PSA. Therefore, we are losing the most important thing in photography – the quality. We wonder, if this is the real future of Photography Salons?
(Marjan Artnak)
