15. MEDNARODNI SALON FOTOGRAFIJE
15th INTERNATIONAL CONTEST OF PHOTOGRAPHY

UVODNIK - FOREWORD

Dragi fotografi,

Leta minevajo, in kot bi trenil, se jih je nabralo že celih petnajst, odkar smo začeli organizirati Mednarodni salon fotografije Narava.

V tem času smo organizatorji doživeli veliko lepih stvari, pa tudi kakšno manj lepo. Imeli smo leta rasti, leta množične udeležbe fotografov in leta, ko je natečaj beležil nižje število udeležencev.

Ves čas pa so ostale nekatere stvari popolnima enake. Fotografije so v teh letih izpričevale izjemno kakovost, ustvarjalnost, domiselnost, avtentičnost, povednost in likovno izraznost.

Tudi naša strast do fotografije in želja prejeti ter pokazati najboljše, kar fotografi ustvarjate po celi zemeljski krogi, je ostala ves čas enako živa.

To je Salonu v vseh teh letih dalo svojstven pečat, ga postavilo na zemljevid podobnih salonov po vsem svetu. Zadnja leta opažamo, da se našega Mednarodnega salonu fotografije Narava udeležuje veliko avtorjev, ki so sodelovali na Naravi že prejšnja leta. To razumemo kot posebno znamenje zaupanja in svojevrstno pohvalo.

Katalog, ki je pred vami, smo letos nekoliko oblikovno spremenili, kakovost tiska in papirja pa ostajata enaka. Dragi fotografi, najlepša hvala za sodelovanje in podporo!

Nasvidenje spet na naslednjem salonu Narava 2023!

Marjan Artnak

Dear Photographers,

The years are flying by, and as if to blink of an eye, fifteen have accumulated since we started organizing the International Salon of Photography Narava.

During this time, the organizers have experienced many wonderful things, as well as some less wonderful. We've had years of growth, years of massive participation and years when the competition had a lower number of participants. But in all this time, some things have remained the same. Over the years, the photographs have demonstrated exceptional quality, creativity, imagination, authenticity, eloquence and artistic expressiveness.

Our passion for photography and our desire to receive and show the best of what you photographers around the globe are creating has also remained as alive as always.

This has given the Salon a unique character over the years, putting it on the map of similar salons around the world. In recent years, we have noticed that the International Salon of Photography Narava is attended by many authors who have participated in Narava in previous years. We see this as a special sign of trust and a kind of compliment.

The catalog in front of you has been slightly redesigned this year, but the print and paper quality remain the same. Dear photographers, thank you very much for your participation and support!

See you again at the next salon Narava 2023!

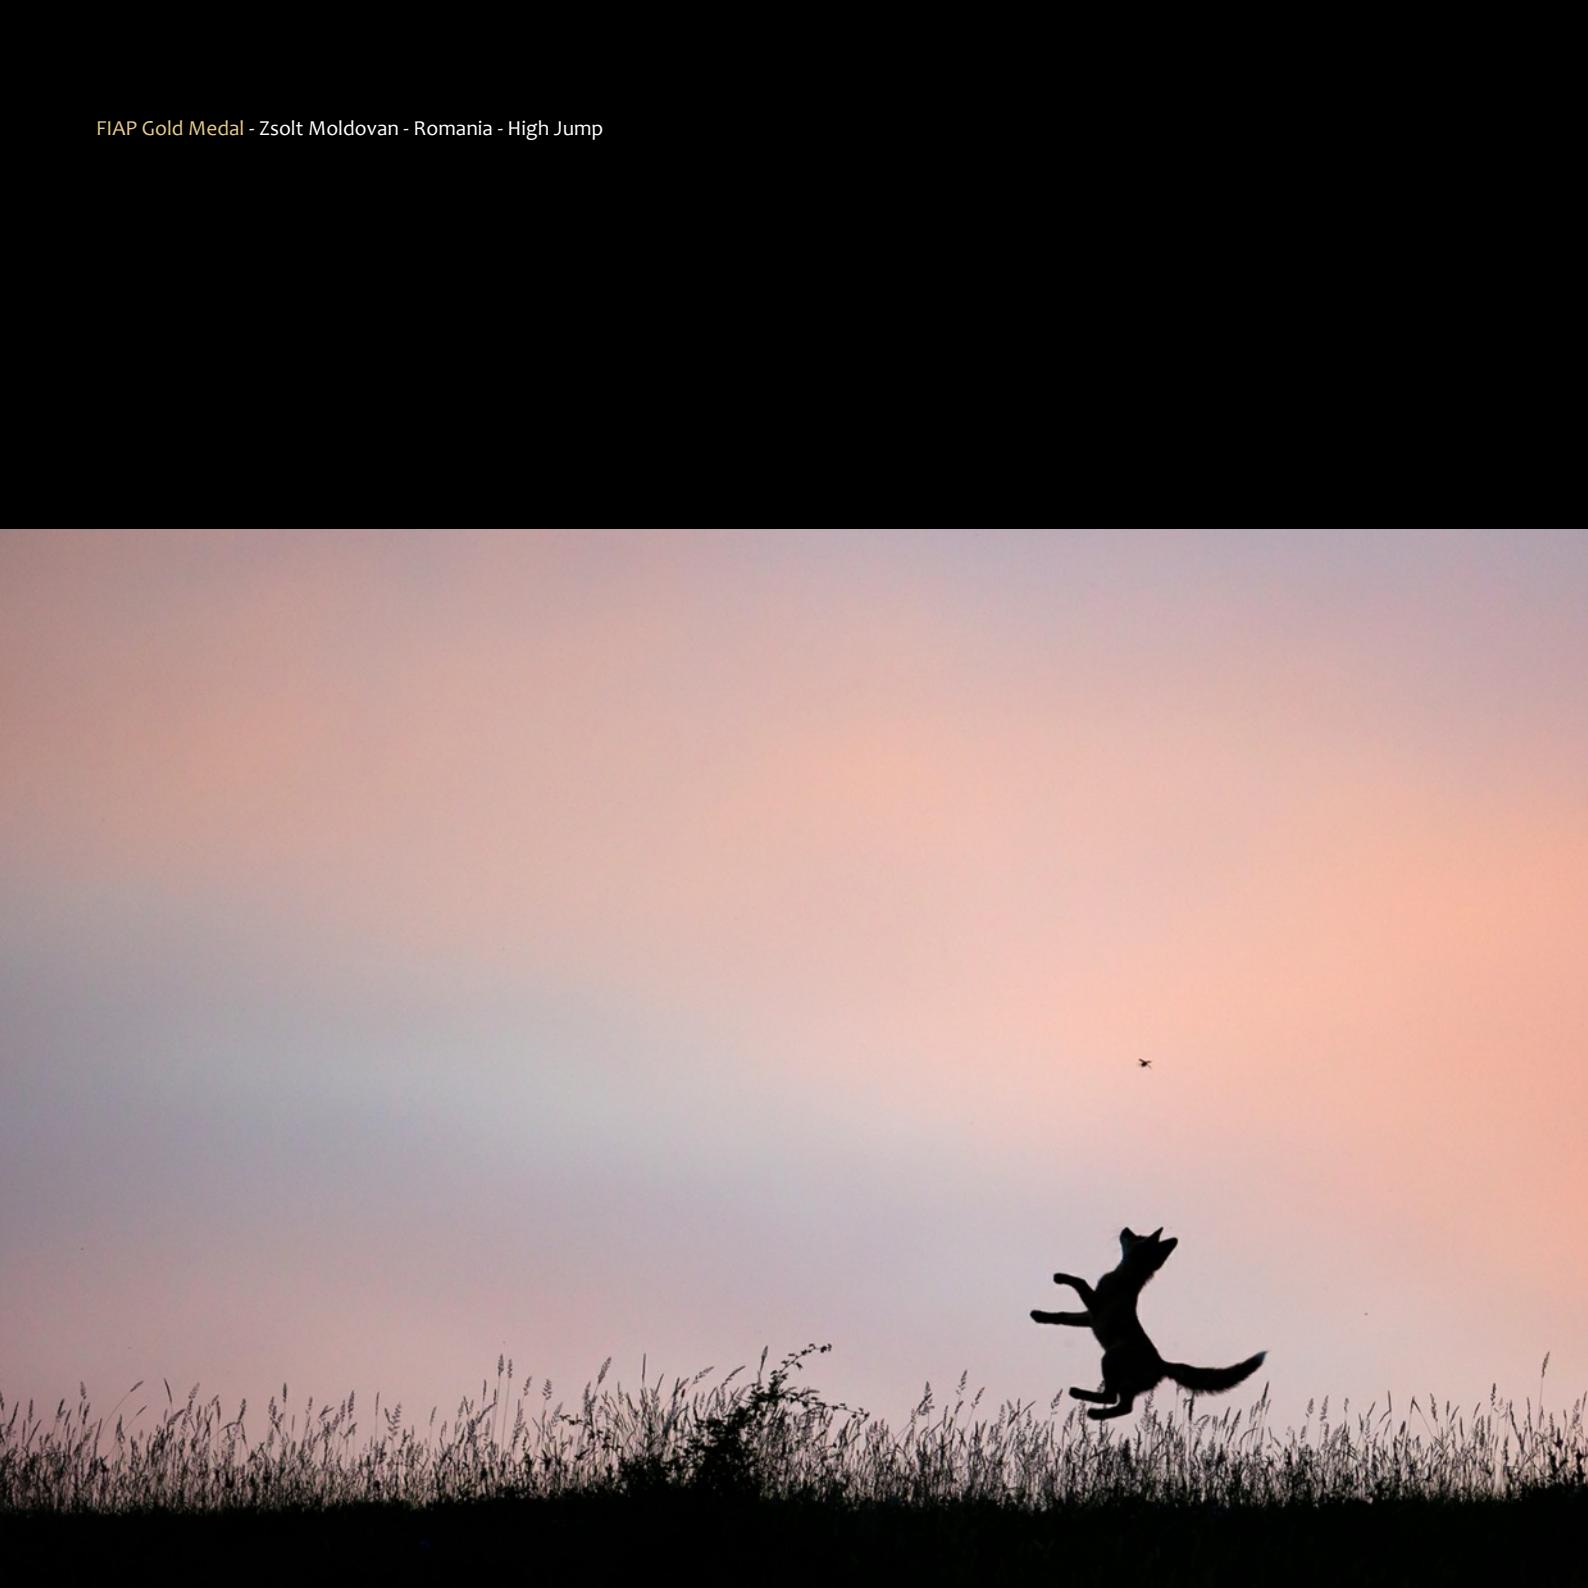

Marjan Artnak
