

9th International Contest of Photography

Animals in the Wild 2016

Fotografsko društvo GRČA Kočevje

The salon is open for all photographers from all over the world. The salon is conformed with the rules of **Nature photography**. Definition of nature photography are identical as FIAP, PSA and RPS nature photography definitions. (For detailed text please visit their sites)

THEMES

Theme A - ANIMALS IN THE WILD: Panel of judges will review only works, that where made in nature. If the judges suspects that photographs of animals where made in captivity (zoo, pets...), those photographs will be disqualified. Human elements shall not be present, except on the rare occasion where those human elements enhance the nature story. At the exhibition we accept only photographs of mammals and birds living in Europe. Photographs of domestic animals are not allowed.

Theme B - FOREST: In this theme show us the FOREST in all its beauty and in all widht of understanding of Forest. For example: Forest is not only trees and bushes. Forest is the sum of various interrelated creatures and shapes. Under the theme of Forest we're looking for your very best photos of Forest landscapes, habitat, close-ups of plants, insects and other wildlife (**except photos of birds and mammals**), pictures that highlight the seasons and shots of human and its impact on the forest ... In the theme Forest **we do not accept photos of mammals and birds**. Mammals and birds have reserved theme Animals in the Wild.

RULES

Every entrant can participate with no more than four color or black and white digital photographs. With emitting and confirming entry all participants accept rules of the exhibition. Participant must be the owner of the photographs. By submitting the application author agrees and acknowledges that the organizer of the exhibition can use his works to promote exhibition, publishing in catalog, projection, the exhibition, articles, internet sites or other printed and electronic media without prior permission or payment to the author.

Photographs sent with the application form in digital format as **JPG, JPEG** file on **CD/DVD**, on clubs e-mail address: narava@fotodrustvo-grca.si or via **UPLOAD PAGE** (most prefered method) The total size of all four files must not exceed **8Mb**. Files should be in the resolution of 1024 pixels in the longest side and resolution of **72 ppi**. Each work must be marked with serial number, family name, autors name and title of work. Example: **(I_surname_name_title)**

Note: If you will upload your entries via our internet application form you don't need to rename your digital files!
